Jeff,

My apologies. We're continuing to work on the protective order, which—as you know—is quite lengthy. And as you might expect, we've been preoccupied with our Motion to Dismiss Spectrum's Counter-Counterclaims, which is due later today. **While I understand your desire to nail down the protective order, this does not seem to be particularly urgent, especially now that the parties have agreed to treat any documents produced in the interim as Attorneys' Eyes Only. Please let me know, however, if you are planning to produce documents presently and you feel that the current arrangement in place is not sufficient.**

Thanks,
Jesse
